

## Fluency Builder Kit DESIGNED FOR CLASSROOM USE

The Fluency Kit is your go-to centers kit for skill-based games. Durable in design and conveniently organized by skill, these kits save you time, money, and effort in setting up meaningful skill-based game stations. They are organized by grade band (K-2 and 3-5), allowing you to differentiate for your class.

## Foundations Kit **DESIGNED FOR 32 STUDENTS IN 5TH GRADE & 24 STUDENTS IN GRADES K-4**

Not every classroom is 1:1, so we offer an essential kit that supports your hands-on learning activities. The Foundations Kit contains the Explore activity cards, tasks, and cutouts. These conveniently packaged kits save you time so that you can provide meaningful hands-on lessons in a breeze!
